

**Thank you** for your interest in joining our Fall 2011 T.E.A.M. Trip to Pine Ridge. This last summer was an incredible experience, not only for our young people, but also for our adult leaders. There is much work to be done on the Pine Ridge Reservation, in the name of Christ, and we are excited that you want to join us as we strive to accomplish it. We will be staying at the Sharp's Corner Baptist Church, where we stayed last time. The purpose for our Fall trip is to help fix up the summer camp that our friends Mike and his wife Monica put on to combat teen suicide. We will help in any way we can to make improvements to the camp, as well as to their church that we are staying at. We will also put on a Fall Event for the children and parents in the community. We had the privilege of spending the summer ministering to the children in the community, and upon our return we would like to have something fun for them to do. This trip is sure to be rewarding and full of blessings.

In His grip,  
Dean Hidy, Youth Pastor

#### **Details and Procedures:**

**Dates of Trip:** Saturday, October 15<sup>th</sup> – Wednesday, October 19<sup>th</sup> of 2011

#### **Trip Costs: \$100 per person**

- This covers participant's transportation, food, and housing.
- \$50 of each participants \$100 is due upon registration for the trip.
- We will provide participants with a pre-written support letter to send out to friends and family.
- Participants are encouraged to relinquish all donations exceeding their original \$50 deposit to Heritage Evangelical Free Church upon reception to be put towards their \$100. Any donations exceeding the participants \$100 will be donated to the Heritage Student Ministry T.E.A.M. Missions General Fund to be used for general trip expenses.
- \*Please have checks made out to Heritage EFC. Please DO NOT write the participants name in the 'memo' line on the check. Instead, attach a note explaining who the donation is being made to and for what trip. In this case the note would read: "This donation is for Jane Doe's trip to Pine Ridge during the fall of 2011." Participants are responsible for instructing all donors of this procedure.

**Transportation:** We are in need of 2 vans for this trip, depending upon the number of participants that sign up. If you would be willing, or if you know someone who would be willing, to donate your van for the 5-day trip we would be very grateful. Please speak to Dean Hidy after the meeting today or at a more convenient time to discuss these details.

**Please,** if you did not participate in the Summer Trip, fill out the Registration Forms that are available upon request. When you submit your completed Registration Form, please remember to include your \$50 deposit. If you participated in the Summer Trip, your registration form is still current through the 2011 calendar year, all you need to turn in if your \$50 deposit with your name attached via note to it. Either way, this deposit will secure your position on the Fall 2011 T.E.A.M. If you submit your Registration Form and do not include your \$50 deposit, you will *not* have secured your position on the Fall 2011 T.E.A.M. Only upon submission of your \$50 deposit will you be guaranteed a position.

**Currently** we are seeking to form a T.E.A.M. of 14. This will be first come first serve, based upon submission of Registration Forms and \$50 deposits. The reasoning for this is due to cost. We can only seat 7 participants per van and trip prices are based upon filled vans.

**Thank you** for your interest in this trip, and we look forward to continuing God's work on the Pine Ridge Reservation with you!
